Class Info Sheet

Instruction

Students will be working at their own pace on individual projects in Oil, Acrylic, Pastel, Charcoal, Pencil, Pen & Ink or Colored Pencil. You may bring your own reference material or use studio reference books or still life arrangements set up in class. I encourage students to keep a notebook of photos and images they come across in order to always have material ready to begin with. Instructional segments are included in weekly classes on various topics, usually first 30 minutes of each class. I will give individual instruction at each easel, rotating around the classroom. I have been so blessed to study with some of the great masters of our time and am happy to pass on what I have learned. I will give primary attention to drawing as the foundation of your painting, using negative space, proportions of length and plumb lines. My desire is to instruct & encourage all levels of artists in reaching their personal goals.

Supplies:

Students are encouraged but not required to bring to each class the following: a sketchpad (vine charcoal or charcoal pencil and a kneaded eraser). Some painting materials will be available for purchase in the studio, (canvas and pastel paper). You may also use studio paints, brushes, sprays, fixatives, pastels, for an additional **\$8 per month**.

I ask those who do not bring their own weekly to bring a roll of paper towels each month as we go through hundreds. Personal materials are not to be left at the studio, due to limited space and possible damage. A supply list is available if you wish to purchase your own supplies.

Attendance:

If I cancel a class due to illness or vacation, you will not be charged for the class. If you miss class, no refunds will be given, however you may make up any missed class at another class time, please call in advance for availability..

Class Fees:

2019 fees are \$75 per month & \$25 Drop in Fee. Several months have 5 weeks and a few will have 3 weeks due to holidays so there are extra classes built in through the year to cover short months. Fees are paid in advance and will hold your spot for that month. *****Class fees must be paid at the beginning of each month unless other arrangements are made.**
